

GAS FOR BUSINESS:

# Arizona High Efficiency Commercial Equipment

The Smarter Greener Better Energy Choice  
for Your Business and the Environment

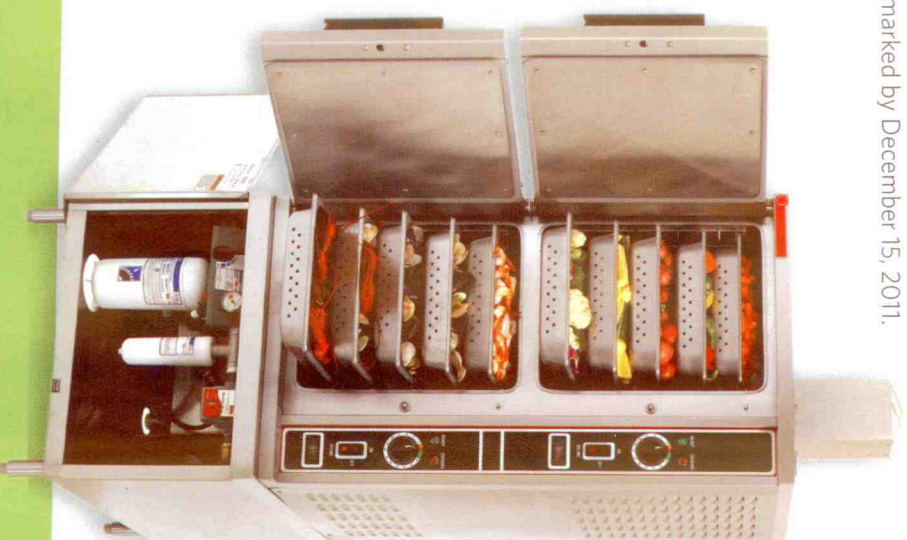

**SOUTHWEST GAS**  
smarter > greener > better™

## How Do I Apply For The Rebates?

### Application Dates

Rebates are available for purchases made **August 15, 2010 through November 30, 2011, or until program funds are depleted**, whichever comes first. Applications will be processed on a first-come, first-served basis and must be postmarked by December 15, 2011.

*ENERGY STAR® steam cookers offer shorter cook times, higher production rates, and reduced heat loss due to better insulation and more efficient steam delivery systems.*

### Required Documents

Along with the completed, signed rebate application showing your Southwest Gas account number, submit a copy of your invoice(s) showing where the equipment was purchased, the date(s) of purchase, the itemized purchase price, and model number(s). **Note:** Equipment must be installed prior to the payment of any rebate. **Southwest Gas reserves the right to verify both the efficiency and installation of equipment before rebates are issued.**

### Program Eligibility & Limitations

- All qualifying energy efficient equipment must be natural gas and must be installed at the business location of an Arizona commercial customer receiving natural gas service from Southwest Gas.
- Rebates are limited to new equipment only; leased, used, or rebuilt equipment is not eligible.
- Any individual rebate amount cannot exceed the purchase price of the new equipment.
- Rebates are limited to a maximum of two for each equipment type per commercial customer per calendar year.
- Offer is not valid in conjunction with other utility rebates for the same end-use product.
